

## VISION WORDS By Jacqueline Briscoe

Vision Words is a fun way to expand on your imagination & increase your cognitive ability. Use your senses (through your imagination) to perceive the answer before clicking to link. Sight, smell, taste, touch, hearing & kinesthetic sense. Similar to crosswords in the way of clues &/or hints. The <http://> link provided will point to the answer which is visual. Picture, image &/or graphic.

\*\*Please check back later – New Vision Words are being added frequently...

1. We should never ever forget this day... It's the reason we are FREE today!
